**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and a small business owner who supports broadband competition. My current provider, Sonic, needs to maintain access to copper line in order to continue to provide the same service that I currently appreciate.

Competition is healthy for the market place and gives consumers more choice. Currently I have better faster service with a considerable saving compared to what the big telecoms offer in my area.

Thanks so much.
